## PROFESSIONAL LONG-TERM EXPERIENCE

### **Alchemy VR, Co-Producer/ Co-Director, London, Abu Dhabi (2016-2017)**

Alchemy VR is an award winning virtual reality content creator. Last year I had the opportunity to co-direct and co-producer four of their 360° projects, one of which have premiered at Tribeca Film Festival.

- Scouted and obtained access to remote locations.
- Led the team in extreme filming situations.
- Translated scripts from English to Arabic.

### **Atlantic Productions, Producer, Dubai, Doha, Kuwait, Muscat, Riyadh (2015-2017)**

Atlantic Productions is one of the leading factual media and entertainment companies in the world. Recently, they produced a five part documentary series about the history of the Arabian Peninsula.

- Found and vetted over a hundred contributors.
- Conducted over fifty interviews.
- Directed and self-shot three complete sequences.

### **Queen Rania Teacher's Award, Assistant Producer, Amman (2013-2015)**

The ceremony for this award included a screening of three documentaries, which showcased what is expected from a Jordanian educator.

- Assisted six different directors and producers.
- Scouted over twenty locations across Jordan.
- Coordinated between The Queen's Office and the production.

### **Viralogix, Producer/Director, Vancouver (2012-2013)**

A people powered video marketing agency that distributes promotional videos across a hyper-targeted network.

- Produced and directed over fifteen promotional videos.
- Handled all aspects of production from development to delivery.
